WAYS TO GET THE BRIDE & GROOM TO KISS * * * * * * * * * * * * *

The following is a list of ways to get the bride and groom to kiss during dinner. Please check which option you prefer

❏   The traditional, "clinging of the glasses"

❏   The guests have to sing a song with the word "LOVE" in it.

❏   Put the names of couples attending your reception in a container. Then when someone "clings" their glass, the DJ or Bride & Groom will draw a couple's name. That couple will stand up and kiss. In return for their kiss, the Bride & Groom will kiss in the same fashion as the chosen couple did.

❏   Bride & Groom trivia before dinner. Prepare approx. 15-20 questions about the two of you for example, "Where did the two of you meet?" Wrap each question with a Hershey's Kiss inside of some netting. The DJ will distribute the questions amongst your guests. They must answer the question correctly for the Bride & Groom to kiss.

❏   Guests must stand up and tell a story about the Bride or Groom or both!
